

*Say 'I do'  
Mr Rudd...*

Dear Mr Rudd,

## It's time to say 'I do' to marriage equality

Same-sex couples should have the right to celebrate their love and commitment through marriage.

A majority of Australians support the rights of same-sex couples to marry. Countries, such as Canada, the Netherlands, Sweden, Belgium, Norway, Spain, South Africa, and many states in the United States now recognise same-sex marriage. Australia should not be left behind.

It's time for your Government to provide marriage equality for all.

Yours sincerely,
